June 22, 2026

Dear Parents,

I pray the Lord has blessed your summer thus far. I pray the Lord blesses our upcoming school year as He has done in the past. I look forward to teaching your children the soul saving message of Jesus Christ and Him crucified. School begins Monday, August 10, at 8:15 a.m. and will end at 11:30 a.m. The first day of school will only be a half day. There will be no lunch on this day. Here is some information for the 2026-2027 school year at Immanuel.

Immunizations

Make sure your child's shot records have been updated and that they have the age appropriate shots. Click the following link to view the immunization requirements and schedule which shows what shots your child should have depending on the grade level of your child.

Please note the kindergarten and 7th grade requirements. All kindergarten students will need proof of a physical, an up-to-date shot record, and a copy of their birth certificate.

Payment

Payment of the book fee, registration fee, and the technology fee will be due before or on the first day of school, August 10. The registration fee is \$50 which covers activities and field trips. The book fee is \$250 which covers the cost of books. The technology fee is \$100 which covers updating the technology in school. The total comes to \$400. Checks should be made out to Immanuel Lutheran Church. The first tuition payment will be due Friday, August 22. If you are unsure of your tuition payment, please contact Mr. Bernthal. If you are receiving the FES or FTC scholarship through Step Up For Students, payments will be made later in the first quarter.

Party and Meeting

We will again combine the Back-to-School Party and Open House into one night on Friday, August 7, at 6:00 p.m. Bring a few dollars for pizza and a snack or drink. The parents will be meeting for the Open House while they eat. This is a must attend meeting even if you have sent your child here for the past couple of years. We will talk about the upcoming school year, the attendance policy, parties, field trips, discipline, homework, parent involvement, and school activities.

Calendar

[CLICK HERE](#) for the 2026-2027 school year calendar. This has all the vacation days along with the Family Fun and Game Night dates. Please keep this for reference throughout the year. Notice that we do not follow the public school schedule. Notice the early release days (half days of school with no lunch ending at 11:30). Check the calendar or call Mr. Bernthal to be sure of the school days.

Supply List

[CLICK HERE](#) for the supplies your child needs for this school year. Please do not buy the 5 subject notebooks. One notebook for each class. It may be a good idea to stock up with a few extra of these items now while the back-to-school sales are going. This may save time and money later when your child runs out of an item during the middle of the year. Please make sure your child has all the supplies they need. If you have any questions, please call your teacher. Your child may have some supplies left from last year.

1st Day

School begins Monday, August 10, at 8:15 a.m. The first day of school will only be a half day and will end at 11:30 a.m. There will be no lunch on this day.

Education Sunday

Education Sunday will be Sunday, August 23, at 10:15 a.m. The children will be singing in church to start the new school year. Please bring your children by 10:00 a.m. so we can practice. Let us lift praises to our Lord and Savior Jesus Christ for the blessings of Christian Education.

VBS

We will be having Vacation Bible School July 20-24 from 9:00 a.m. - 11:30 a.m. If you are planning to send your child, please [CLICK HERE](#) to register. Thank you.

If you have any questions or concerns, please contact me or Ms. Katie at the numbers below. Thank you.

Yours in Christ,

Mr. Neil Bernthal

*7th- 8th will need a scientific calculator, protractor, and compass (to make arcs and circles) for math class this year. Make sure the compass is able to be tightened down, or it will not work.

*4th- 8th will need an assignment book or planner to write assignments into throughout the year.

Note:

-The off brands of markers, crayons, and colored pencils tend to break and run out very quickly. Even though they are cheaper at times, they may not always be the best deal.

-Make sure you buy a big enough size of scissors for your child.

-Make sure your child has each of the supplies listed above.
